Story

Policy risk strength drives a broader risk-on move

OTR Brain convergenceSpine shows Genesis Cryptocurrency as today's main pressure. The strongest connected story is Genesis Cryptocurrency, linking the strongest same-day rows.

Proof

TRACK RECORD

— accuracy

0 resolved · 0 correct

METHODOLOGY

1. Publish — calls lock at morning publication with a frozen publication price.
2. Freeze — the call, its direction, and its publication price are immutable.
3. Wait 20 hours — the market is given exactly 20 hours to play out.
4. Grade — the call is graded symmetrically. Win or lose, it goes on the record.
